Work Experience

Product Designer at Google
Aug 2021 – Jun 2026

- Led end-to-end design for YouTube Shopping with Product, Engineering, and UX Research, including in-app checkout that keeps purchases inside YouTube rather than sending viewers to an external site.
- Led end-to-end UX for the Shopify affiliate integration, supporting growth from 738 to 1.2K merchants and $358K to $4.2M GMV.
- Improved product discovery rate from 32% to 68%.
- Defined UX principles for replacing unavailable creator-tagged products, balancing automation with creator consent and reversibility.

UX Designer at Simsim
Oct 2019 – Aug 2021

- Owned the end-to-end creator experience for Multiply, Simsim’s shoppable-video creation tool.
- Replaced a manual submission process with a four-step flow, increasing video coverage of top products from 6% to 21% (3.5×).

UX Designer at Baby Destination
May 2018 – Oct 2019

- Designed responsive web experiences for a parenting community, aligning user needs with business goals.

UX Designer at Sheroes
Jun 2017 – May 2018

- Designed the event discovery and registration experience for a women’s professional community, from listing pages through to the sign-up flow.

UX Designer at Digital Impressions
Nov 2014 – Jun 2017

- Designed e-commerce experiences for Indian fashion brands including Meena Bazaar and Ritu Kumar, from concept to delivery.
