and fashion lover

Work Experience

Product Designer at Google

Aug 2021 - Jun 2026

Youtube Shopping Team: I design seamless, user-friendly checkout experiences, creating strategies to boost conversions and reduce drop-offs from search to purchase

UX Designer at Simsim

Oct 2019 - Aug 2021

Designed end to end experiences for creators in collaboration with the XFN teams, resulting in creator adoption, 3.5X increase in video coverage across top products (from 6% to 21%).

UX Designer at Baby Destination

May 2018 - Oct 2019

I create user-friendly web pages, ensuring seamless navigation and responsive design, while collaborating with teams to align user needs with business goals.

UX Designer at Sheroes

Jun 2017 - May 2018

I strategized event themes, designed landing page UIs, and contributed to social media promotion for the events

UX Designer at Digital Impressions

Nov 2014 - Jun 2017

I designed e-commerce websites for top Indian fashion brands like Meena Bazar and Ritu Kumar, managing the product lifecycle from concept to delivery.

Education

Master of computer application | 2005 - 2008

UP technical university
